

ERIN M. LAURITO

Qualifications Summary: I was admitted to practice in the State of Ohio in 2002 and chose to join the family practice with the objective and ambition to continue its growth. As a young and zealous attorney, I am focused and eager to further the success of Laurito & Laurito, L.L.C.

Education: Juris Doctor – University of Dayton School of Law, 2002
Bachelor of Science – Southern Illinois University at Carbondale, 1999

Throughout my 3 years of law school, I focused my education solely on the laws of real estate and bankruptcy to create a strong foundation upon which to grow once I entered into practice. This foundation included Basic Real Estate Transactions, Commercial Real Estate Transactions, Landlord Tenant Law, and extensive study of the United States Bankruptcy Code. While in college and law school, I worked summers and vacations in the practice in an administrative capacity, gaining a firm understanding of the foreclosure and bankruptcy processes.

Experience: Vice President
Laurito & Laurito, L.L.C. (Nov. 2002 – present)

In addition to my legal education, I bring fresh and updated ideas to the practice. My focus is to serve clients effectively with cutting edge technology, as it is my strong belief that the two are directly related.

I have enjoyed the mentoring and tutelage of my father's 35 years experience as well as the support of a legal staff with combined experience of 100 years in this industry to provide the utmost in legal and customer service.
